

Bundle Protection Plan Terms and Conditions

Throughout this document, the words “we,” “us,” “our” and “BlueCosmo” mean BlueCosmo. The word “Plan” refers to the Bundle Protection Plan while “you” and “your” (whether or not capitalized) refer to the purchaser of the Plan. The words “product” or “products” refer to the Iridium 9555, Iridium GO! or IsatPhone 2 and their in-box accessories that are part of our bundle offers.

Product Eligibility:

Plan only covers products purchased from BlueCosmo. All original invoices are required for any product repairs, replacements, exchanges or credits.

Duration of Bundle Protection Plan:

The Bundle Protection Plan offers warranty coverage for the product extending for the same duration as the plan’s initial term, commencing on the activation date and concluding at the end of the initial term. For example, a bundle with a 24-month initial term will have product warranty coverage for 24 months and additional benefits such as: replacement guarantee; industry leading turn-around-time for replacement devices; and firmware support. These benefits are subject to different conditions which we suggest you read thoroughly.

Our Responsibility:

Plan complements, but does not replace, the 12-month manufacturer’s warranty. During the term of the manufacturer’s warranty, Plan provides additional benefits for which the manufacturer does not provide coverage. Plan also extends the same warranties as the manufacturer for the months remaining in the initial term after the standard manufacturer’s 12-month warranty ends. Additional benefits are listed in these Terms and Conditions.

Coverage:

Plan covers manufacturer’s defects in materials and workmanship that reveal themselves in normal usage. Services performed under the plan will consist of labor and the replacement of parts necessary to restore your product to normal operating condition. At our option, replacement parts may be new, refurbished or non-original manufacturer’s parts that perform to the manufacturer’s specifications for the product. We may also replace your product with a refurbished product of the same model.

Repair Service:

All Plan repairs will be performed at an authorized service center and will require that the product be returned to BlueCosmo in compliance with our standard Return Merchandise Authorization (RMA) process. To arrange a repair, please contact BlueCosmo Technical Support by calling 1-877-258-3496 or by emailing; customer care@bluecosmo.com. We will attempt to diagnose the issue. If applicable, you are responsible for the cost of shipping the product to BlueCosmo, and the cost of returning the product/replacement device to you.

Accessory Coverage:

Plan provides coverage for accessories and peripheral devices (“Accessories”) that come with your product in the original manufacturer’s package. Examples of accessories include charging devices, auxiliary antenna and headsets. If the fault diagnosis determines the problem is related to an accessory, then a replacement may be mailed to you. We may request that you first ship the defective accessory to BlueCosmo. Batteries are excluded.

Replacement Guarantee:

We promise to ship out a repaired or refurbished product within 3-5 business days of receiving your defective product.

Firmware Support:

Plan provides coverage for firmware support including updates and/or upgrades. Firmware support can include over the phone technical support or by emailing customer care@bluecosmo.com.
